

Central Mass Safety Council Program
Blood borne Pathogen OSHA required training
Updated

This program meets the OSHA Blood borne Pathogens Standard and is your tool for training employees who may come in contact with infectious materials as part of their jobs. **For all covered employees this training is required at time of hire and each year thereafter.**

What you'll learn:

During this program you will learn all the required, as well as the most relevant and current topics, in OSHA's regulation 1910.1030 (Blood borne Pathogens). These include:

- Getting and staying OSHA compliant
- Transmission of disease
- Prevention strategies
- PPE and Engineering Controls
- Universal precautions
- Exposure control planning

Per Person- Members: \$112 each (materials included); Nonmembers: \$141 (materials included)

When: Thursday, December 17, 2009; Wednesday, February 10, 2010; Thursday, March 25, 2010; or call about scheduling for groups of 10 or more.

Where: Central Mass Safety Council, 186 W. Boylston St, West Boylston, MA 01583

Time: 8:30 AM - 12:00PM

Register by fax at: 508-835-2869. To register by phone or for more information call: 978-875-1942 or 508-835-2333 X 21
