

## Central Mass Safety Council Fall Protection: OSHA required training *Walking and Working Surfaces*

Some 68,000 falls occur each year. A full 20% (13,000) are fatal, and nearly all are preventable. According to insurance statistics, each year associated expenses cost employers \$4.4 billion dollars in medical claims and replacement costs. OSHA enforces fall related hazards and training through various regulations, including 29 CFR 1910.21-.31; and 1926.500-.503

### What you'll learn:

During this program you will learn all the required, as well as the most relevant and current topics, in OSHA's 29 CFR Part 1910, Subpart D: Walking and Working Surfaces

- Fall Protection requirements, hazards, and work rules
- Walking and Working Surfaces
- Ladders
- Stairs, ramps and bridging devices
- Fixed and mobile elevated work platforms
- PPE
