

Central Mass Safety Council

Forklift Trainer Certification Program

Updated and Expanded

Coaching the Lift Truck Operator 2

This program trains you to train your lift truck operators in the safe use of their equipment, and helps you comply with OSHA's Powered Industrial Truck Standard. You'll leave fully equipped to deliver an effective in-house program of your own.

Added this year:

- ✓ Forklift Regulation Review: Avoid the most frequent fines
- ✓ Presentation Skills Workshop: Presenting with Confidence
- ✓ Presentation Skills Manual and Reference Guide
- ✓ Coaching Skills Workshop: How to Make Training Stick
- ✓ CD ROM* Customizable PowerPoint Presentation
*Designed exclusively for the Central Mass Safety Council
